

Introduction to the PPI[®] Toolkit: Document Descriptions

Course Flyer

Use the Course Flyer to advertize your workshop. Change the document to include your background in social performance management and your photograph.

Training Presentation

This is the full PowerPoint presentation required for this course.

Trainer Guide

The Trainer Guide details the important information to communicate when going through the presentation.

Participant Workbook

The Participant Workbook should be handed out to all participants of the course.

Training Evaluation Form

To learn about the effectiveness of the course, provide each participant with an evaluation form to fill out before leaving. Please share relevant comments with Grameen Foundation at info@progressoutofpoverty.org.

Reference Materials for Participants

Provide each participant with the documents contained within this folder in an electronic format, preferably with an external storage device like a USB drive. The folder contains case studies, an example of a social performance report, sample PPIs and the *PPI Standards of Use*.
